ACCOMMODATION

Curlew

Curlew is The Sandpiper's most exclusive suite, and arguably the most outstanding in Barbados. Views are breathtaking from the expansive oceanfront terrace and personal plunge pool. Interiors are exquisitely designed and the patio is equipped with lounge seating, wet bar and dining for six. This elegant suite comprises a spacious living room, bedroom, dressing room and luxurious bathroom with a large walk-in shower and separate tub, air conditioned throughout. It is larger than the two Tree Top Suites with a larger plunge pool and contains a powder room for guests visiting the suite. The bedroom can also convert from king to twin beds if required. Children under the age of 12 years are not permitted. This suite has the capability to connect with the two Beach House Suites to become a three-bedroom villa. Room Count: 1

Tree Top Suites

The Tree Top Suites are two of The Sandpiper's most sought after accommodation. They each consist of a bedroom, spacious living room, dressing area and a luxurious bathroom with a large walk-in shower and separate tub, all air-conditioned. There is a large covered terrace complete with wet bar and complimentary starter bar (selection of spirits, soft drinks and snacks). There is also an open sundeck with a plunge pool. Featured in the living room is a media centre for TV, movies and music. These suites have views of the sea and can accommodate two adults. Children under the age of 12 years are not permitted. Whimbrel has a king size four poster bed and Sanderling can convert from king to twin beds if required. Room Count: 2

Beach House Suites

Each of the two ocean front Beach House Suites consist of a large, covered patio featuring a wet bar and sun deck. There is a separate living room with sofa bed and media centre for television, movies and music, a bedroom with king size bed, dressing area and bathroom. These suites are beautifully designed and they are connected by way of a common entry hall and a moveable wall on the patio. They can also connect with Curlew to become a three bedroom villa. Each Beach House Suite accommodates either three adults or two adults and two children under 12 years. Room Count: 2

Two Bedroom Suite

The two Bedroom Suites are very spacious accommodation, consisting of two king size or twin-bedded rooms, two bathrooms, a separate living room with sofa bed, kitchen and a large patio or balcony. These suites can accommodate five persons. Room Count: 13

One Bedroom Suite

The One Bedroom accommodation consists of a king size or twin-bedded room, bathroom, separate living room with sofa bed, kitchen and patio or balcony. These suites can accommodate either three adults or two adults and two children under 12 years. Room Count: 23

Garden Room

Each of the Garden View Rooms consist of a king size or twin-bedded room, bathroom and patio or balcony. These rooms can accommodate two adults. Room Count: 22

All categories of room are individually decorated, air-conditioned and have fridges, docking stations, safes and hair dryers. Please indicate preference for king size or twin beds when booking. All rooms and suites have lovely vistas, overlooking the gardens, pool or Caribbean Sea.
